

Dear Business Owner:

The Danvers Y is holding its **21st Annual Fundraiser** and Online Auction kicking off on January 30th to support our community scholarships and help make the Y be more accessible for all. We're reaching out to see if you would consider donating a gift card or product we can use as an auction item?

This year's fundraiser will be tied into our Capital Campaign to improve accessibility for seniors and adaptive needs, increase space and security in Childcare, and provide programs for all in the community.

Thanks to generous donations from **Corporate Sponsors** and **Community Partners** this past year, the Danvers Y was able to help:

- Over 330 Youth At Risk participate in Childcare programs, swim lessons, and activities for free or at a reduced rate;
- More than 45 children experience summer camp for free;
- Families that were afflicted with cancer received financial aid towards membership and aquatic programs.

There are many organizations who do good work and we are truly thankful for any way you may be able to participate in supporting the Danvers YMCA's community efforts. We couldn't do everything we do without your generosity. Thank you for your consideration.

If you have any questions, please don't hesitate to call (978)774-2055. We will be following up to see if you are interested in helping us make a difference in our community.

Gratefully yours,

Your Y Family
