## A LITTLE ABOUT OUR PROGRAM..

The Danvers YMCA Early Learning Preschool Childcare offers a great alternative for families who need full-time care for their preschooler or are interested in a half-day program with the additional perks of being affiliated with the YMCA. While their days include the standard preschool curriculum, the additional hours are filled with activities that encourage creativity and exploration in a safe and nurturing environment.

This program includes an emphasis on the positive aspects of the child's performance to build their confidence and self-esteem. Children will have plenty of opportunity and space to explore, play, and learn individually, as well as in a group.

The Danvers Community YMCA Preschool is state certified and licensed through the Massachusetts Department of Early Education and Care (EEC).

**\$50 Non-Refundable Registration Fee, will be applied to first month's payment.**

**Must turn in Complete Preschool Childcare Packet Prior to Attending.**
