A LITTLE ABOUT OUR PROGRAM..

The Danvers YMCA Early Learning Preschool Childcare offers a great alternative for families who need full-time care for their preschooler. While their days include the standard preschool curriculum, the additional hours are filled with activities that encourage creativity and exploration in a safe and nurturing environment.

This program includes an emphasis on the positive aspects of the child’s performance to build their confidence and self-esteem. Children will have plenty of opportunity and space to explore, play, and learn individually, as well as in a group.

The Danvers Community YMCA Preschool is state certified and licensed through the Massachusetts Department of Early Education and Care (EEC).
